for Nutrition

Food Systems Policy Tool Workshop

Hosted by the Foundation for Community Development Mozambique (FDC) and The Global Panel on Agriculture and Food Systems for Nutrition

Radisson Blu Hotel
Maputo, Mozambique
28 June 2017

Programme

14:30 Welcome

Speaker and moderator: J. Oliveira Mucar, Program Director FDC, Fundação para o Desenvolvimento da Comunidade

Welcome followed by a review of the meeting aims and programme

14:40 Introductory remarks

Speaker: Professor Sandy Thomas, Director, Global Panel on Agriculture and Food Systems for Nutrition.

Overview of the Global Panel and its work and brief introduction to the Food Systems Policy Tool (FSPT).

14:45 Overview of the Food Systems Policy Tool

Speaker: Ivan Kent, Deputy Director, Global Panel on Agriculture and Food Systems for Nutrition.

Presentation and worked example of the FSPT.

15:00 Working with the FSPT in Mozambique

Moderator: J. Oliveira Mucar, FDC

Guided plenary session to identify and work through an example of a diet gap in Mozambique to identify potential policy interventions.

16:10 The FSPT approach in Mozambique

Moderator: J. Oliveira Mucar

Can the FSPT approach support the development of food and nutrition security solutions to provide healthy diets in Mozambique? If so, what further refinements would be helpful?

16:30 Closing remarks

Speaker: Professor Sandy Thomas
